For Current Customers with open accounts with balances and those seeking open accounts:

Credit Terms and Agreement:

Terms of Credit: Standard terms are net due by 10th of the month following purchase. Past due amounts are subject to a finance charge of 1.5% per month. If collection of this account becomes necessary, customer agrees to pay all costs of collection, including, but not limited to reasonable attorney’s fees and cost of suit incurred. Returned materials may be subject to a restocking charge. Returned checks will be subject to return check fees. **When Credit is extended, it is contingent upon prompt payment, according to the agreed upon terms and will be restricted by a credit limit - to be determined by the Credit Department. Open credit may be withdrawn at any time.** All credit applications are subject to periodic review and will require updates. **Credit privileges can be withdrawn at any time without notification if the account goes past due.** Any litigation concerning this contract may be commenced, at the sole discretion of credit grantor, in any local, state or federal court. Customer agrees to pay a time-price differential at a percentage rate of 1% of the total of the delinquent invoices when the invoices become past due. These charges are construed as time-price differentials and therefore these charges are not to be considered interest. Total monthly finance charge and time-price differential is 1.5% per month on past due balances. Changes in terms may occur from time to time. **Redline Equipment** endeavors to apprise customers of changes in terms in advance of such changes taking place.

Checks that are marked “payment in full” are invalid unless sent to the Credit Manager at Redline Equipment, PO Box 181, Archbold, OH 43502 under the terms of a previously arranged agreement. We reserve the right to return your check within 90 days and under no circumstances will a “payment-in-full” or “in-full settlement” checks be allowed except pursuant to a separate written agreement, assuming that payment is less than the invoice and time-price differential amounts set forth on the statements. Otherwise, it will be presumed that the full-payment check was tendered in bad faith, and the check will not be accepted as full settlement on an account.

Any claims of errors or discrepancies in the billings must be submitted to our office in writing within 15 days of receiving a bill, otherwise all such objections are deemed waived and the account will become stated.

For customers with open accounts and open balances, payments made on account will generally be applied to the oldest open items and finance/service charges first. This is generally in the best interest of the customer to reduce the finance charges in the interest of the customer. Customers desiring payments to be applied outside this policy will need to advise the Accounting team or Credit Manager at the corporate office. The store personnel can only take the payment on account, not control the application.
